2. Product applications

This Cheddar sauce is a creamy and versatile sauce that enhances the texture and flavor of many dishes. Suitable for both hot and cold food service applications, it pairs well with pasta, nachos, burgers, and ready meals. It is also commonly served over fries, baked potatoes, or vegetables such as broccoli and cauliflower.

Supplied in 3 kg metallic tins with protective lacquer lining.

3. Unexpected use

-High temperature or humid storage: Leaving the product at high temperature or in a humid place may accelerate spoilage, compromise microbiological safety, and degrade organoleptic quality.

- Failure to respect the cold chain during transport: Exposure to temperatures >25°C during transport or distribution may affect product stability, texture, and safety.

Consumption after exceeding the Best Before DLC: Consumption beyond the indicated shelf life (12 months from production under recommended conditions) may present microbiological risks and quality degradation.

- Do not freeze the product.

4. Consumer Groups & Vulnerable Populations

Consumption without cooking by vulnerable populations: Although this product is ready-to-eat, vulnerable populations (young children, pregnant women, elderly, immunocompromised individuals) should exercise caution. The product contains preservatives and dairy allergens; specific attention is required for at-risk groups.

5. Composition / Ingredients

Non-hydrogenated palm oil, modified starch (E1442, E1414, E1450), maltodextrin, salt, whey powder, cheddar cheese, citrus fiber, stabilizers (E415, E466), emulsifiers (E472b, E471), acidity regulator (E330, E339), preservative (E202), cheddar flavor, dried garlic, color (E160c, E160a, E160b).
