2. Product Applications

Land'Or Emmental Cheese Sauce is a creamy, ready-to-use cheese sauce made with dairy fats, offering a rich Emmental cheese flavour and a smooth, creamy texture. Ideal for enhancing burgers, sandwiches, wraps, fries, nachos and other snacks, it can also be used as a topping for baked potatoes, pasta dishes and gratins, or as a dipping sauce for appetizers and finger foods.

3. Unexpected use

- High temperature or humid storage: Leaving the product at high temperature or in a humid place may accelerate spoilage, compromise microbiological safety, and degrade organoleptic quality.
- Failure to respect the cold chain during transport: Exposure to temperatures >25°C during transport or distribution may affect product stability, texture, and safety.

Consumption after exceeding the Best Before DLC: Consumption beyond the indicated shelf life (12 months from production under recommended conditions) may present microbiological risks and quality degradation.

-Do not freeze the product

4.Consumer Groups & Vulnerable Populations

Consumption without cooking by vulnerable populations: Although this product is ready-to-eat, vulnerable populations (young children, pregnant women, elderly, immunocompromised individuals) should exercise caution. The product contains preservatives (E202, E234) and dairy allergens; specific attention is required for at-risk groups.
